

Vernon Park Reading Newsletter

Welcome to our first edition of the Vernon Park Reading Newsletter. This term, each class has appointed a Reading Ambassador, who will advocate a love of reading to all of the Vernon Park community.

Together with Mrs Calhoun, they will create a half termly newsletter that will recommend books for each phase, interview staff about their favourite books and there may even be some competitions along the way!

We hope you enjoy our newsletter and our book recommendations.

Mrs Lee met with our Reading Ambassadors and answered their questions about her favourite childhood book, Charlotte's Web.

Why do you love this book?

It was different from anything else I read. I read lots of Enid Blyton when I was younger and this was a new author, E.B White. This book is about a spider, called Charlotte, who lives in a barn on a farm and makes friends with all of the other animals that live there.

Why do you love reading?

When I read, I make new friends. I feel like I know the characters and I am always sad when I finish a book and those new friends go away.

Where is your favourite place to read?

In the summer, I love to read on a sunbed, in the garden with a cup of tea. In the winter, I love to sit in front of our open fire, with a blanket and cuddle Milo the dog.

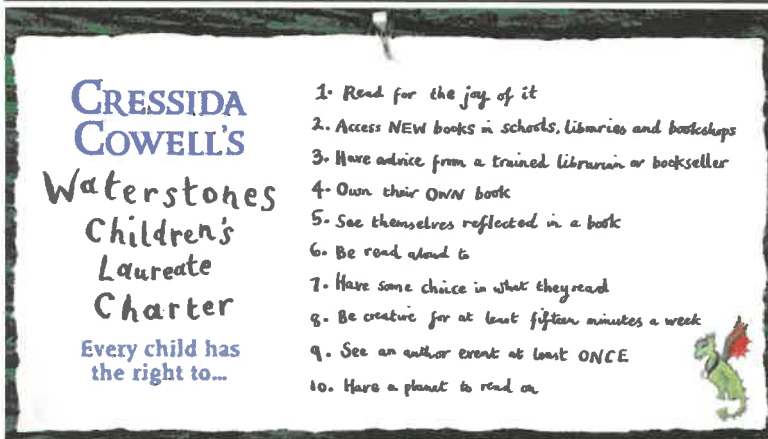

How does reading make you feel?

I like to read books that make me feel happy.
