<u>Parent Information regarding UKS2 SATs 2023</u>

Dear Y6 Parents,

This term, on the week beginning Monday 8th May, Statutory Testing (SATs) will begin for pupils in Y6.

The children have all worked extremely hard this year and are well-prepared for these tests. Some anxiety or nerves is normal, but please reassure your child that doing their best is all that counts! If you have any concerns, please contact your child's class teacher via Class Dojo.

All tests are held during the school day, within the school building. Children will be split into 5 different classroom / work spaces to complete the different tests. The children will complete six different tests: Grammar, Spelling, Reading, Maths Arithmetic and two Maths Reasoning.

We follow the scheduled timetable prepared by the DfE:

Monday 8th May	BANK HOLIDAY
Tuesday 9th May	English Grammar English Spelling
Wednesday 10th May	English Reading
Thursday 11th May	Maths Arithmetic Maths Reasoning
Friday 12th May	Maths Reasoning

All Y6 children will participate in SATS, unless you have been informed otherwise by the school.

Testing is in the morning. The children will then continue with their normal school days. Uniform or PE kit (day dependent) should be worn as usual. Children do not require any equipment as school will provide everything they will need to use.

It is very important that all children arrive to school punctually: in order to further support Y6, school will be offering a free breakfast club place to all children taking SATs on the **four testing days**. This does not need to be booked. We will be offering breakfast to all children in Y6 from 8am until 8.30am Tuesday 9th- Friday 12th May. Unfortunately, we cannot offer space for siblings – this must be booked through the normal pathway.

We hope this information has been useful but if you have questions regarding the administering of the SATs tests, please contact your child's class teacher, the Head Teacher or Deputy Head via Class Dojo or by ringing the school office.

Thank you, UKS2 Team
