Dear Parents and Carers

This year we will be attending St Mary's Church for our Harvest Festival on Friday 22nd October with children from Y1 to Y6. Unfortunately, due to the current guidance in place, this celebration will not be open for families to join us at the church, however we will, as ever, do our best to share special moments from the service on our social media.

In order for our Y1 to Y6 children to walk safely to and from the church, we are requesting 20 parent/carer volunteers to join us. Places for applicants will be allocated on a first-come, first-served basis and we cannot guarantee that you will be placed with your child's class on the walk. Volunteers will be asked to arrive at school at 1.45pm on Friday 22nd October. If you can support us, please complete the slip below and return to your Class Teacher ASAP. All children are to be collected from school at 3.15pm.

We would like to support The Wellspring project by donating food. This is an opportunity for our children to explore the good they can do in the greater community and supports our school's caring ethos. The goods received by The Wellspring at this time fill their tin store and provide meals for their members throughout the year. The Wellspring have provided information regarding their most popular donated food items and kindly request that you donate something from the wish list below.

We respectfully request that only items specified on this Wish List be donated for Harvest (directly to The Wellspring).
